HELLO AND WELCOME

...to the most extensive fixed price list of American numismatic literature ever presented. The incredible selection of auction catalogues goes all the way back to the 1860's. Periodicals such as *The Numismatist* and the *American Journal of Numismatics* are highly prized additions to anyone's library. The prices realized lists are an important, yet overlooked, part of numismatics, and we offer the largest selection of American PRs in the world.

Then there's a fine run of Bowers and Ruddy/*Merena Rare Coin Reviews*, the longest running and best house organ ever produced. It's a sought after collectible and historical reference now that it is no longer being printed.

We have increased our book section to offer a broad range of useful information about American coinage. The Dave Bowers' book, "*History of United States Coinage*", is one of the best ones around. We certainly hope you will find something that interests you in the other titles available, as well.

Be sure to check out the fascinating, limited edition reprint of the Joseph J. Mickley Daily Business Journal covering the time from 1840 – 1848, which is offered exclusively through us.

Yes, we sell a lot, but please keep us in mind if you have better material prior to 1940 available for sale. We will be happy to make offers on most anything.

On a different note, there is going to be a census conducted over the next few months covering 19th century American auction catalogues. If you have these in your library and would like to participate in this project, we would be happy to send you a free survey form for you to complete and return. The results will be published in the Numismatic Bibliomania Society publication, *The Asylum*. We invite you to join NBS by completing the membership form enclosed.

We'd like to say a word or two about our format. As you can see, this is a fixed price list. Keep in mind that everything is available for immediate purchase. If you see something you want, order it now. Earliest orders get the best fill as many items are one of a kind. This is not like a mail bid sale where only the highest bidder gets the lot after submitting bids and waiting for several weeks.

Plus, we don't charge a 15% buyers' fee. This means your dollar is worth a dollar -- not \$.85 cents. Please don't get me wrong, I buy a lot of material from literature auctions and my colleagues who conduct them are top-notch people all the way. It's just better for you, the customer, to get what you want without the wait and extra charges. I remember years ago, when the seller had to pay the commission charge, not the buyer. So, keep in mind that this fixed price list is a very important option when it comes to building your reference library.

Now, here's the good news -- for any order over \$100 (excluding shipping and handling) received before Christmas of 2003, we will give you a 10% DISCOUNT! You can't beat that! So go ahead and review this list and send us your order, large or small. You can contact us by e-mail, phone or regular mail.

As always, we thank you for your business, and will be happy to answer any questions you may have about the wonderful world of American numismatic literature.

Best regards,

Karl Moulton

HOW DO YOU WANT TO RECEIVE YOUR PACKAGE ?

Here are the options to choose from :

1. **MEDIA MAIL (BOOK RATE).** Please send \$2.00 for the first item and \$.75 cents for each additional item along with insurance from the table below. For shipping purposes, count five PR's as one item. This is how most orders will be shipped unless another choice is requested and prepaid. This option takes anywhere from 5 to 30 days for your package to arrive (it can be extremely slow).
2. **PRIORITY MAIL.** Please send \$3.85 for the first item and \$1.25 for each additional item along with insurance from the table below. As mentioned above, one to five PR's equal one item for shipping charges. Due to the cost, priority shipping charges and insurance must be prepaid. It will take 2 to 10 days for your package to arrive, as the post office will not guarantee delivery within three days.
3. **OTHER.** We will be happy to ship by Fed Ex using your account number, or prepaid including pick-up and other applicable Fed Ex fees.

NOTE : Shipping your order may cost more or less than the estimates above depending upon weight. Any additional charges will be billed; any prepaid overages will be credited to your account. Insured packages can be traced only after 30 days (the Post Office's rule).

**** Any order of \$25 or more for merchandise keeps you on our mailing list for one entire year. ****

PACKING & HANDLING : Please add the following charges for the number of items you order:

1 - 5	\$.75 per item
6 - 10	\$ 5.00 Total
11 - 20	\$ 7.00 Total
21 - 30	\$10.00 Total
31 - 40	\$12.00 Total
41 - 50	\$15.00 Total
51 or more	\$20.00 Total

This helps cover the cost of boxes, strapping tape, packing for the catalogues, labels, etc.
The charges listed above are, in every case, **lower** than the per lot fees charged in mail bid sales.

INSURANCE : We insure all packages. Please add charges from the table below:

POST OFFICE INSURANCE

\$ 0.01 to \$ 50\$1.30
50.01 to 100 2.20
100.01 to 200 3.20
200.01 to 300 4.20
300.01 to 400 5.20
400.01 to 500 6.20

Add \$1 per additional \$100 of value up to \$5,000.

SPECIAL BONUS !

You will receive a **10% DISCOUNT** on all orders totaling \$100 or more in merchandise and received before **December 25, 2003**.

Does not apply to shipping and handling.

(We give discounts, the post office doesn't.)

A.N.A. CONVENTION SALES

10/04/19 Henry Chapman, 38pp., 500 Lots One of the
scarce early ANA sales. Has interesting pedigree on a
1792 Half Disme, possibly engraved by Jacob Perkins. 55.
08/16/38 Henderson, 14pp., 510 Lots 40.
08/27/40 Stack's, 42pp., 1009 Lots, Strong Ancients,
World Crowns, Early U.S. Writing on front cover. Some
price notations 40.

08/21/49 Numismatic Gallery/Abe Kosoff, 90pp.,
2195 Lots 20.
08/16/52 New Netherlands, 158pp., 4880 Lots A
blockbuster event in 20th century numismatics! Held in
conjunction with Numismatic Fine Arts, Hans Schulman,
and Henry Grunthal, this sale is a core reference for
numismatists interested in Ancient and World coinage,
and those interested in the U.S. regular issues and
Patterns. Homer Downing's Large Cents comprise six
of the 48 plates 125.
08/17/54 Federal, 200pp., 4175 Lots 1844 Dime - UNC.,
1791 Pattern Half, Early Cents, Paper, World Coins 10.
08/24/55 Bebee's, 80pp., 2585 Lots A somewhat
scarce offering of U.S. and World coinage 30.
08/13/58 Abe Kosoff, 52pp., 2903 Lots An interesting
sale due to some unique Territorial Die Trial pieces from
an unlisted consignor. These pieces were catalogued as
being in "excellent condition", even though they were 100
years old at the time. Most metallurgists would agree that
an unprotected die trial would show some signs of cor-
rosion and/or rust. However, lots 2017 and 2018 are
beautiful condition, incused impressions in lead of the
1853 U.S.A.O. \$20 Gold pieces, 900 thous. variety.
Interestingly, this sale took place around the same time
the Franklin Hoard pieces, which were reportedly struck
in gold, came on the market. To add further intrigue,
there are other trial pieces for Territorial Gold issues in
various metals; an interesting coincidence 30.
Another copy Has ink notations in Pattern section. 25.
08/26/59 Leo Young, 83pp., 4469 Lots 12.
08/24/60 Conn & Whiteneck, 138pp., 3013 Lots, Harold

08/16/66 Abe Kosoff, 51pp., 2105 Lots 8.
08/08/67 Paramount, 68pp., 3139 Lots, 1913 Liberty
Nickel, Many Early Cents, 1895 Proof Morgan 12.

07/30/97	Heritage, 421pp., 3578 Lots	12.
08/09/00	Bowers & Merena, 460pp., 3249 Lots	20.
07/30/03	Bowers & Merena, 480pp., 4127 Lots Includes 108 page Lyn Knight Currency Auction in the back. An impressive catalogue plating every lot in color. This was a remarkable achievement by the cataloguers based on the changing conditions within the Bowers & Merena organization. Unfortunately, the time deadline approached too soon, and the editing process was very poor, resulting in numerous errors within the catalogue itself. Had Q. David Bowers still been at the helm, it is doubtful we would have seen this kind of workmanship emitting from the B&M Galleries Division of Collector's Universe	30.

A COMPLETE SET OF ALL 12

This group of catalogues is perhaps the most significant set of auction catalogues of the 20th century.

The total dollar amount exceeded \$45 million. The catalogues themselves contain virtually all the rarities in American and Canadian numismatics in the finest condition possible. These belong in every library.

We are currently working on a comprehensive index of the uncirculated and proof coins contained in this series. This index should be available next year.

THE PUBLICATIONS OF Q. DAVID BOWERS...

Are the best produced, and most informative ones that cover the entire scope of American numismatics. Truly, his published works have furthered the pool of knowledge more accurately than any other individual in the field.

Bowers once wrote if he were stranded on an island, he would want the New Netherlands sales catalogued by John Ford and Walter Breen. If it were me on that island, I would want the various Bowers catalogues and Rare Coin Reviews to read over and over again. If you don't have these, you need to get them for your reference library – the sooner the better!

07/30/03 Bowers & Merena, 480pp., 4127 Lots Includes 108 page Lyn Knight Currency Auction in the back. An impressive catalogue plating every lot in color. This was a remarkable achievement by the cataloguers based on the changing conditions within the Bowers & Merena organization. Unfortunately, the time deadline approached too soon, and the editing process was very poor, resulting in numerous errors within the catalogue itself. Had Q. David Bowers still been at the helm, it is doubtful we would have seen this kind of workmanship emitting from the B&M Galleries Division of Collector's Universe	30.

The story presented was a completely fabricated story that it had been given out in change in a mid-western train station. SAMUEL H. CHAPMAN

This short run of catalogues (28) from 1907 to 1924 is one of the most challenging series to complete. This is evidenced by the fact that \$9,000 was paid for a plated 1920 Hunter sale in the early 1980's. This record was broken after the Henry Chapman bid-book of the 1912 George Earle sale brought \$9,500. As of June 2000 a new record of \$12,000 was established for a plated 1923 Henderson sale. All S.H. Chapman catalogues are legitimate rarities in American numismatics whether plated or not.

12/16/1880 Charles A. Besson, 40pp., 1175 Lots, These Haseltine sales, long ignored because of their lack of promotion in the descriptions, are a veritable wealth of information to the serious numismatic researcher. A prime example of this can be found in this sale, which contains an 1838-O Half Dollar. You will not find this offering of an 1838-O Half mentioned in anyone's pedigrees in any references because no one has taken the time to check. According to Haseltine's information, at this early juncture, there were six examples known. Get these Haseltine catalogues while they are still available!	30.

08/13/58	ANA, 52pp., 2903 Lots An interesting sale due to some unique Territorial Die Trial pieces from an unlisted consignor. These pieces were catalogued as being in "excellent condition", even though they were 100 years old at the time. Most metallurgists would agree that an unprotected die trial would show some signs of corrosion and/or rust. However, lots 2017 and 2018 are beautiful condition, incused impressions in lead of the 1853 U.S.A.O. \$20 Gold pieces, 900 thous. variety. Interestingly, this sale took place around the same time the Franklin Hoard pieces, which were reportedly struck in gold, came on the market. To add further intrigue, there are other trial pieces for Territorial Gold issues in various metals	30.

- 06/15/1943 **Albert A. Grinnell, 136pp., 2214 Lots**, Title page, Foreword, and Terms of Sale missing; all lots intact; Large format. This was the first offering of Grinnell's currency. Since Mehl included U.S. coins and Pioneer Gold in the sale, it so incensed Grinnell that he withdrew the remainder of his consignment and gave it to Barney Bluestone the following year. Mehl later remarked, "It would have been easier to please God himself than Mr. Grinnell." 35.
- 02/08/1944 **Belden E. Roach, 231pp., 3530 Lots**, Strong U.S. gold sale. 50.
- 11/07/1944 **Fred Olsen, 124pp., 2062 Lots** A core reference sale for U.S. Patterns (many coming from the Woodin collection). There's also a 1913 "V" nickel offered 60.

- 06/11/1946 **William C. Atwater, 199pp., 2398 Lots**, Perhaps Mehl's most important sale. The only American auction catalogue containing two 1804 silver dollars. Numerous other rarities abound. I recently paid over \$500 for a deluxe edition of this sale, and have a difficult time keeping this one around 195.
- 02/18/1947 **Frederic Geiss, 162pp., 2696 Lots** One of Mehl's 1940's blockbuster sales. Included with the significant Territorial Gold pieces is a complete set of U.S. Gold \$1's. The Large Cents and Silver Dollars are high Grades pieces. There's also an often overlooked selection of Large Size Currency and Foreign Gold 40.
- 06/17/1947 **Will W. Neil, 212pp., 3461 Lots**, This collection contains U.S. Silver coins, extensive collection of copper coins, U.S. Gold and currency. Included are a complete set of silver dollars featuring a 1794, 1838, and 1870-S all in Unc., along with "The King of American Coins, the Dollar of 1804!" Also included are a nearly complete set of Half Dollars with the 1838-O; Quarters with an 1823, both varieties of 1827, 1878-S, and 1901-S; complete set of Dimes with an 1894-S; also the 1913 Liberty Head Nickel; a complete set of Gold Dollars, U.S. Four Dollar Gold Pieces, \$3 Gold (missing only one date), and finally a complete set of Minor coins; and the list goes on. One of Mehl's finest sales 125.
- 03/23/1948 **Royal, 311pp., 4688 Lots** One of those great "Blockbuster" sales of the 1940s. It ranks right up there with the Dunham and Atwater sales. Although King Farouk was a consignor, the real core pieces in this sale are from the Dr. Allenburger collection. Rarities abound 150.
- 05/23/1950 **Golden Jubilee/Kern, 196pp., 2763 Lots**, Mehl's last great hurrah. Here, again, U.S. gold dominates over 1/3 of the catalogue. The silver dollars include such rarities as the 1804 and 1884 and '85 Trade Dollars. Early copper compliments the extensive silver run. A core reference sale 75.
- Another copy**, A notable offering of U.S. coinage in all denominations highlighted by an 1804 Silver Dollar.

- Also included are interesting gold, Foreign medals, and Pattern coins of Belgium. Slightly soiled covers 60.
- 06/12/1951 **King Farouk I of Egypt, 178pp., 2685 Lots**, Large format. With bid sheet and price list order form. Ex-Kosoff 7/68 sale 35.
- 10/25/1955 **Collins / May, 93pp., 2377 Lots**, Among the nice U.S. and Foreign material offered is the wonderful photo of Mehl himself on page 91. This was Mehl's final auction 15.
- Another copy**, With label residue on front cover 12.

LESTER MERKIN (U.S., Foreign, Ancient)

These sales are of great research value as they were catalogued by Walter Breen, C. Douglas Smith and other notable researchers. Many important coins passed through Merkin sales, and thus are important pedigree resources.

- 1963 **Fractional Currency Fixed Price List** 5.
- 08/14/64 **Louis Helfenstein, 64pp., 332 Lots** One of the premier, high-grade Large Cent collections. This sale helped launch Leser Merkin's auction cataloguing career. One of the more notable aspects was the first color cover for a United States catalogue. The 1793 Wreath Cent shown under a magnifying glass so inspired Mr. Marvin Teichert that he eventually purchased the coin by private treaty from Stack's, who sold Mr. Teichert's high-grade Type collection on May 9, 2001 40.

- 06/12/68 **U.S. Coins, 42pp., 545 Lots**, Currency, Colonials, Half Cents, Large Cents, Small Cents, Nickels, Half Dimes, Dimes, Quarters, Half Dollars, Dollars, and Gold. The highlight of this sale is an 1855 Wass, Molitor & Co. \$50 Territorial believed to be the finest known 6.
- 09/18/68 **Extraordinary, 76pp., 575 Lots** This sale featured several of A.J. Ostheimer's early Silver Dollars; also, Harry X. Boosel's 1873 coins; an 1870-S Dollar; Patterns; and a complete set of half dimes. The remarkable quality of the early federal issues in other denominations makes this catalogue special 25.
- 09/19/68 **Sale #11, 32pp., 427 Lots**, Gold, Silver, and Copper coins of the World 5.

number of early Bust & Seated Quarters. It is because
of the White "hoard" that we have so many of these early
quarters available in top grades today. For further

- 07/25/1942 Preston Pond & George Fash, 40pp., 1157 Lots, Nice run of U.S. material along with coins of the world including coins of the Americas 30.
- 03/23/1944 Col. James W. Flanagan, 119pp., 1681 Lots, U.S. and World Gold, the highlight being, of course, the 1933 Double Eagle (plated), which the United States Treasury Department deemed was illegal to own 11 years after being minted. Disgustingly, in light of recent emissions from the Philadelphia Mint, this remains the only coin considered to be illegal to own (but only in this country) by the extremely narrow minded and ignorant U.S. Treasury officials. The so-called compromise regarding the sale of this coin is a complete joke. The government has no title or any portion thereof to any 1933 Double Eagle. Once the dies make contact with the planchet, the bullion piece becomes legal tender regardless of any "politics" or claims made after that time. An important collectible. Soft cover 95.

- 05/15/1945 George H. Hall, 132pp., 2392 Lots, The prospectus for this sale announces that, "This amazing

- catalogue is really the finest, biggest, and most desirable catalogue ever published in the American numismatic field." This, of course, is grandiose over-boasting when compared to some of the 19th century sales such as McCoy, Mickley, Cohen, and Parmelee; not to mention the 20th century offerings. This was due to Abe Kosoff selling F.C.C. Boyd's collection entitled "The World's Greatest" in the same city at the same time. Still it's a decent catalogue to have in your library..... 45.

02/27/54 Sawicki/Miller, 32pp., 969 Lots The highlight of this sale is Sawicki's attributed Large Cents; many of which are plated. Among the other items of interest are an 1864 Lincoln & Garfield Gold Campaign Medal in Proof, and the collection of John McClelland who endeavored to have his coins all one shade. This was done by cleaning and polishing everything. Among the overlooked rarities are examples of uncirculated 1853-D & 1855-O Gold Dollars, and uncirculated 1824 & 1848-D Quarter Eagles	35.
04/08/54 Davis-Graves I, 123pp., 1787 Lots A truly remarkable presentation of United States, Foreign, and Ancient coinage. Many of the coins came from a 19 th century collection that focused on quality and varieties. The highlight is the R.C. Davis specimen of the 1804 Dollar with eloquent, yet fraudulent, documentation of authenticity from William E. DuBois and John Haseltine. Even 120+ years ago coin dealers and mint officials would say and write anything to help validate spurious issues emanating from the U.S. Mint. A must have reference	85.
05/07/54 Davis-Graves II, 60pp., 1362 Lots, World Gold, 1796 Eagle – UNC., 1798/7 4x9 & 6x7 Eagles, 1879 FH Stella, Early Dollars, Early Cents by Sheldon Varieties, 1825/3 "E" C/S Quarter-UNC., 1795 Gold–ex Col. Green.	20.
Another Copy, Soiled Covers.....	15.
09/24/54 Anderson Dupont Pt. I, 92pp., 1028 Lots Includes separate plate section. A core reference for those interested in U.S. Large Cents. These were catalogued by Dr. William Sheldon, so we know the attributions are correct. What we don't know is the identity of the consignor after almost 50 years. This was another one of Stack's "Pseudonym Sales". This writer would enjoy knowing if the coins in the DuPont sales were owned by either Waldo Newcomer or Col. E.H.R. Green. Based on the DuPont family history, there was no Anderson DuPont listed in the 1952 autobiography distributed by Charles Scribner's Sons ..	70.
10/09/54 N.E.N.A., 34pp., 961 Lots Partly Priced	15.
11/11/54 Anderson Dupont Pt. II, 118pp., 1694 Lots, An important sale featuring choice Half Cents. Half Dimes, including an 1802. Dimes including a 1798/97 13- Star Reverse and an Unc 1874-CC, an extra fine 1823-2 Bust Quarter, 1838-O Half, a No-Arrows 1853-O Half, and an 1878-S Half. The silver dollars contain an 1836 Gobrecht Below Base, and Unc 1870-S, and an 1884 Trade Dollar. Also included are important Patterns, Seated, and Barbers	50.

10/08/55 N.E.N.A., 40pp., 1149 Lots	12.
05/04/56 Metro New York, 112pp., 2343 Lots Starts off with a nice selection of Colonials including Continental Currency. Although the U.S. material is not high grade, there is enough variety to make this catalogue worthwhile. The bonus part of this sale is the inclusion of many World silver coins and medals, and U.S. Currency issues.	30.

03/02/63	California, 38pp., 1127 Lots	5.			
05/03/63	Samuel Wolfson II, 99pp., 1541 Lots This sale, as the previous Gold sale, contains many important rarities in all series, the highlight of which is the 1804 Dollar with pedigree documents from John Haseltine and William E. DuBois. Apparently, the first owner of this example, R.C. Davis, wanted some documentation from the parties responsible for creating and selling this coin. This was a smart idea on Davis's part as he knew, along with Haseltine and DuBois, that this coin was one of the "new" Class III Restrikes that first entered the coin market in 1876. The documentation from DuBois is an outright lie and makes for interesting reading.....	35.

Also included is a biographical and portrait of noted Boston collector William Sumner Appleton. When he died, his collection was bequeathed to the Massachusetts Historical Society. This bequest is a significant pedigree link because Appleton purchased Joseph Mickley's U.S. gold “en bloc”, along with other individual pieces, prior to the October 1867 Mickley sale by W.E. Woodward. The Massachusetts silver and other Colonials make this a most important modern sale	45.

THE PRICE OF KNOWLEDGE

To most people, learning doesn't come easy or cheap. Young people attend schools to develop life-long skills. This is funded in part by tax dollars and matching federal funds.

As we get older and develop interest in other things or hobbies such as numismatics, we need to start at the beginning of the learning process because none of us were taught about money in school other than we had to have some for the weekends.

The trouble with most people interested in numismatics is that they tend to not go very far down the path of knowledge. After a brief time and a little bourse floor experience they are pretty sure they know enough to make intelligent buying decisions. Nothing could be further from the truth. **Most “coin buyers” have more money than knowledge, and that’s a real shame.**

If you wish to become a numismatist, a large reference library is absolutely essential. It affords the researcher and historian a direct link with the past, which needs to be well understood before you can know how things have developed into what is today.

It doesn't matter what your field of interest, you must learn about the past to help keep your interest piqued in the present. Those who spend their time and money in building a library will definitely enjoy the future. Besides, the price of literature is peanuts compared to the price of coin collecting. Where else can you get a worthwhile education for less than the price of a twenty dollar gold piece? There is absolutely no better buy in today's market for under \$20 dollars than purchasing a 100+ year old copy of the American Journal of Numismatics. Believe it or not, I've seen 1964-D Washington quarters sell for more.

That is a total lack of knowledge in action; otherwise known as S - T - U - P - I - D - I - T - Y !

Phineas Taylor Barnum, who himself collected coins in the 1840's, sold them for a nice profit to coin buyers some 150 years ago. Perhaps this was the inspiration for his memorable quote, “There’s a sucker born every minute.”

So, I say unto you – EDUCATE YOURSELF!

THE DAILY BUSINESS JOURNAL OF JOSEPH J. MICKLEY

**1840 - 1848
Philadelphia, Pennsylvania**

Joseph J. Mickley was perhaps the greatest American coin collector of the 19th century. Yet, before he started collecting in a serious manner in 1851, he was a musical repairman and maker of piano fortes in Philadelphia.

The discovery of Mickley's daily business journal from 1840-1848 represents an inside look at his seldom-revealed business and personal life. This never before seen 573-page ledger is fascinating in its historical aspects relating to his music business and personal accounts.

There are customer names such as Nicholas Biddle, the former president of the Bank of the United States; and Joseph Plich, the German composer and music teacher whom Mickley rescued from a fire. Later, he rewarded Mickley by bestowing on him a yearly trust payment beginning in 1851. These detailed entries provide untold hours of informative insights, not to mention the enormous research value, into the life and times of this admired and respected American, music lover, and numismatist.

Included in this reprint is a revealing 28-page biographical sketch of Mickley written by his close friend and long-time business associate, Jacob Bunting. This insightful biography was written in 1885, seven years after Mickley's death. It was most likely written as a response to the incorrect numismatic tale printed in W.E. Woodward's January 1884 Heman Ely catalogue about Mickley going to the U.S. Mint in 1827 and receiving four quarters in exchange for a dollar. The truth is, Mickley owned only one 1827/3/2 quarter during his lifetime.

We hope you enjoy this rare glimpse into the life and times of Mr. Mickley. It is truly mid-nineteenth century Americana at its finest.

of American coinage ever brought together at any time. A complete inventory

indispensable reference that is now out of print. Many enlarged photos and
background information make this a "must have" volume for anyone interested

Previous auction records for the complete two-volume set have gone above
the \$500 mark 175.

History of U.S. Coinage – Garrett Collection, 1979, 572 pgs., Hardbound The
only problem with this book is the fact that it is not read anywhere nearly as
often as it should be. It contains more interesting, worthwhile, and valuable
information about American coinage than has ever been presented anywhere
else. The contemporary 19th century correspondence, along with the entire
Garrett Collection pedigrees, simply add to the information imparted by the
many plates, both black & white and color. With Dave Bowers book about
the California Gold Rush and the sinking of the SS Central America, people
will greatly enjoy having this book as a companion guide due to the many
Territorial issues which were contained in the Garrett Collection. If
you don't already have his book, do yourself a favor and get a copy now 40.

MICKLEY, MINNIE F.:	A nicely bound photocopy of the Mickley Family Genealogy, which was compiled by Minnie F. Mickley in 1893. Found within is a 26-page biography of Joseph Mickley written by his close friend, J. Bunting. This well detailed account of Mickley may have been written in response to several earlier stories and myths presented by A.M. Smith and W.E. Woodward. I have written an article for Dave Bowers' Rare Coin Review #142, July-August 2001, which presents for the very first time a detailed account of Mickley's life along with his involvement in American numismatics. One of the major surprises is the discrediting of the story having to do with Joseph Mickley obtaining four 1827 over-dated quarters from the Mint in 1827. YEOMAN, R.S.:	1949 Redbook, 3 rd Edition, Fine or Better. Tight binding with clean, fresh pages. No marks anywhere. Blue end freeflys clean. Somewhat faded gilt, as is normally seen. One of the toughest early redbooks	145.
	1952-3 Redbook, 5 th Edition, Very Fine – Near Mint. A true rarity in this condition. The gilt is strong on the cover and some letters weak on the spine; the binding is tight and corners are square. There are no spots, marks, writing, or any other impairments to be found anywhere. Considered by many to be the scarcest Redbook and most difficult to obtain in nice shape. A #1 Redbook has sold for over \$2000 at auction. This one, in the same condition, can be acquired for	650.

SCARCE EARLY BLUEBOOKS

The popularity of the Redbook has overshadowed Yeoman's other signature publication, that being the Bluebook, which is much more scarce than the Redbook ever thought of being. More and more people are putting together a Redbook set. This is due primarily to the publication of a price guide in the latest editions of the Redbook. The Bluebooks present more challenge in completing a set because of several overprints and cover variants in the early issues. Get a head start on the Redbook collectors and fill in your Bluebooks now.

Bluebook, 2nd Edition, 1943, Very Fine, This copy displays strong gilt on the front cover.

The binding is tight, the pages clean and fresh. There is no writing anywhere. The only minor defects are a 1/8th inch indent on the front cover and some discoloration on the upper rear. This is somewhat scarce in this condition and should prove to be a wise purchase at at.... 95.

Bluebook, 4th Edition, 1945, Rare Black Cover Variant. Owner's name on free fly. A few small spots on the front cover. Otherwise a very presentable example of this much

sought after, early "bluebook", which is presently unknown in Near Mint condition. If anyone has such an animal, I'd gladly pay \$150. This one is offered at 60.

Bluebook, 4th Edition over 3rd, 1945. A scarce overprint in very good condition with bright pages. Gilt faded and spine ends wrinkled.....

45.

Bluebook, 5 th Edition, 1946, Strictly Fine. With bright gilt. Owners name stamped on freely. Lower corner on front cover bumped. Clean pages.....	20.
Bluebook, 9 th Edition over 8 th . This is the scarcest overprint in the entire Whitman line. This Fine – VF copy features full gilt on the front cover, absolutely no writing anywhere inside, and clean, fresh, white pages throughout. The only drawbacks are white splotches on the covers from evidently being in contact with something moist.	55.
Another copy. Full Very Fine with Full Bright Gilt. Owners name on front freely. An ink stamp of Bill Mertes on several pages. The nicest copy available anywhere.....	85.
WORLD COINS: 25 Different issues: January, 1964 – January, 1975	15.
CANADIAN NUMISMATIC JOURNAL: An important run of early issues. Volume 1, 1956 - Volume 16, 1971, missing 1963, 1964, & 1965. Ten years from '56 to '68 are hardbound in red with gilt spines and were bound by the Canadian Numismatic Association. The 1969 through 1971 are mint copies in their original covers. It is difficult to find the early issues in nice condition. Ex-4/88 Paramount Library sale, lot 867, conducted by John Bergman. Very scarce set	225. ..

RARE COIN REVIEWS

by
Bowers and Ruddy Galleries &
Bowers and Merena Galleries, Inc.

No longer in print, this long-running house organ offers not only coins, but important articles and fascinating tidbits regarding numismatics. Dave Bowers unselfishly shares bits and pieces of information found nowhere else. He masterfully blends coins and the people interested in them. One of this writer's favorite features was the Coin Quiz, which prompted more than one response.

This highly recommended publication carries a cover price of \$10 for later issues, which have reached over the 100 page mark. A set of RCRs is a desirable compliment to the Bowers run of catalogues, and are collectible in their own right. If you don't have these, you're missing out on some informative and enjoyable reading.

PRICES REALIZED LISTS AVAILABLE

This is a list of all the prices realized lists we have on file from 1860 to the present. No catalogues are included in this section, though they can be found elsewhere in this fixed price list. After a listing, "C...." or "O...." indicates either a photocopy (C) or an original (O) prices realized list is available and at what price. An original printed Prices Realized list is one of the most overlooked items in numismatics. All originals are subject to prior sale. Supply is limited to stock on hand, and prices are subject to change without notice.
